Sec 1 Navalites will participate in Camp Victory, a 3D2N residential camp from Tuesday 13 January to Thursday 15 January, at BB/GB (Sembawang) Campsite. The objectives of the camp are to:

- Develop the sense of identity and belonging as a Navalite
- Develop social-emotional competencies and build resilience in Navalites through outdoor education
- Forge camaraderie and friendships within the class through team activities

The camp includes activities such as low obstacles, orienteering, cycling, rafting, kayaking, outdoor cooking, tent-pitching and campfire. More details will be provided during the Parents' Meet and Greet on 9 January.

6. Fortnightly Home-Based Learning (HBL) Days and Personal Digital Learning Device

In line with the National Digital Literacy Programme, MOE has included Blended Learning as a regular feature of the curriculum. Beyond preparing students for the event of school closure during exigencies, students and teachers now view Blended Learning as a pedagogical strategy. Fortnightly Home-Based Learning (HBL) days are part of the overall effort to encourage students to be self-directed and independent learners, and to develop passionate and intrinsically motivated learners.

In NBSS, fortnightly HBL days generally take place on Even Fridays. Navalites are expected to learn from home under minimal supervision; they will meet their form teachers virtually via MS Teams at the start of the day, before going on to complete their assigned learning activities at their own time. HBL Day components include a Student-Initiated Learning component where they are encouraged to pursue an identified interest of their own. You can see the list of HBL dates in the table attached.

7. Department Programmes

a) English Language and Literature (ELL) Department - Reading Programme

The school aims to develop good reading habits and a love for reading in Navalites through its reading programme. When Navalites read widely, they develop competency and confidence in using the English language, as well as widen their general knowledge.

All Navalites will be scheduled for school library visits and participate in related reading activities throughout the year, as part of the reading programme. With their Personal Learning Devices (PLD), Navalites are also encouraged to access free e-books via the National Library e-book application - Libby. Hence, all Navalites should have a book with them every day, as time will be set aside for reading in the morning.

Beyond curriculum hours, Navalites are strongly encouraged to read the books/articles recommended in their English Language Resource Packages.

b) Mother Tongue Languages (MTL) Department -Chinese New Year Celebrations

The school will celebrate Lunar New Year on Friday, 13 February. More details about the celebrations will be provided nearer to the day.

c) Aesthetics Department- Application for Music Elective Programme (MEP) for 2026

If your child/ward exhibits interest, ability, and potential for Music and would like to develop their musical understanding, they can apply for the two-year GCE O-Level Music Course. The course engages students through rich and integrated musical learning experiences, with exposure to a diverse range of musical styles and traditions. Students with a musical background from Music CCAs or other music programmes (school or external) are encouraged to apply. Successful applicants will attend weekly music lessons held in the afternoon at one of the ten centres. The application period is from 2 to 15 January 2026, and more information will be sent via Parents Gateway at the start of the year. We will also be conducting a briefing for them during their orientation.

9. School Policy on Use of Mobile Phones

Following MOE's guidelines, the school has put in place a policy to guide the use of mobile phones in school to support the well-being and development of our Navalites, with the aims of reducing screen time and excessive access to mobile gaming and social media, and to encourage physical social interactions and activities during self-study periods, recess, lunch breaks and during after-school activities.

- Navalites are not allowed to use mobile phones when they are in school. If Navalites bring mobile phones to school, they are required to switch it off and keep it in their bags at all times.
- If you need to contact your child during school hours, you could call the General Office at Tel: 62571996. Navalites are allowed to make calls from the General Office to parents and guardians with permission from teachers.
- If Navalites are caught using their mobile phones without permission, their mobile phones may be confiscated but would be returned at the end of the day, and parents would be informed.

We seek your support and partnership in helping your children develop healthy routines and lifestyle choices for their physical, social and mental well-being.

Resource for Parents:

“Low-tech, that is. No smart phones for tech-savvy dad Ian Tan, who gave his kids basic phones which could only make calls. It was part of his plan to limit their exposure to the Internet and social media.” Read on to find out some pointers to prevent your child from being addicted. <https://www.schoolbag.edu.sg/story/my-secret-to-curbing-my-kids-screen-time-go->

10. Administrative Matters

a) Level T-shirt

All Navalites are required to purchase the level T-shirt (Red for Sec 1) along with their school uniforms as they would need to wear it for school events such as level camp, Road Run and Sports Carnival as a means to promote unity and sense of identity as a cohort level. They can also wear it in lieu of the PE t-shirt on school days.

The cost would be either \$8.30 for sizes XS to 4XL or \$12.00 for sizes 5XL & above. Navalites can purchase the level T-shirt in school. Details are as follows:

Sales dates: 5th to 9th January 2026 and 22nd to 23rd January 2026

Time: 9am to 3pm (Mon - Thur) / 9am to 1pm (Fri)

Venue: Classroom L1-02 (opposite Library)

b) Sec 1 Students using Primary School's School Smart Cards (SSCs)

All 2026 Sec 1 Navalites can continue to use their primary school SSCs for concessionary travel till end April while waiting for their secondary level SSCs to be ready. They can still purchase the Bus Concession Pass (BCP) using their primary level SSCs, but they would need to purchase the BCP for secondary school students.

c) Absences from School

When students are absent from school, a PG notification will be sent in the morning to parents / guardians for alert.

Parents are encouraged to use the feature on Parents Gateway to:

- Upload medical certificates (MC) and supporting documents
- Submit letters explaining their child's absence (restricted to ten per year)
- Track the attendance records of their child.

How to Access:

1. Open Parents Gateway app
2. Tap on 'Services'
3. Select 'Student Absence'

This streamlined process provides greater convenience to parents, cuts down on the need for hardcopy documents, and helps us maintain accurate attendance records.

Please note that failure to submit an MC or letter of excuse will deem the child to be absent without reason (equating to truancy) and consequences would follow based on school policy.

d) Photographs / Images Taken During School Events

Please note that photograph(s) and video image(s) of your child/ward may be captured during school events. These images may be published in school publications, websites, social media and other school communication channels. If you do not wish to have these photographs and images published, you may write to the school at nbss@moe.edu.sg.

Thank you very much for your attention to the above information and matters. We look forward to partnering you as your child/ward embarks on their educational journey with NBSS.
